CHICAGO – Gold Eagle® Co., makers of HEET®, STA-BIL® and 104+®, is unveiling their newest brand: Garage D.O.G.G.® Both Garage D.O.G.G.® Cleaner and Garage D.O.G.G.® Shield are a must-have for the ‘yard warrior’ in all of us. These innovative, easy-to-use products come in a 12-ounce spray can.

Garage D.O.G.G. Cleaner is used to quickly and effortlessly clean outdoor **d**irt, **o**il, **g**rease and **g**rime. It cleans chainsaws, hand tools, garage floors, lawn mowers, wheels, hubcaps, weed trimmers, ATV's – virtually all garage and outdoor equipment. It also contains a corrosion inhibitor to help fight against damaging rust.

Garage D.O.G.G. Shield helps to protect outdoor grime before it settles – deflecting debris from most outdoor surfaces – keeping grass from sticking to lawn mowers, dirt from collecting on motorcycles, snow from clogging the discharge chute, etc.

Both products come with a unique spray nozzle that allows the can to spray at any angle.

“The Garage D.O.G.G. product line fills a unique niche in cleaning products,” said Tom Bingham, Brand Manager for Garage D.O.G.G. “Indoor cleaners just don’t have the power to cut through tough outdoor grime. Garage D.O.G.G. cleaner blasts through the mess without the need for scrubbing or rinsing. Also, the shield product is one of a kind. Only Garage D.O.G.G. Shield provides a barrier keeping your equipment clean use after use.”
