CHICAGO – Gold Eagle® Co. recently received an award from Interactive Health Solutions, the provider for their health risk assessment, as one of the healthiest companies in America for 2008. The award, based on clinical evaluations of employee participants across an index of key health indicators, was designed by Interactive Health Solutions to recognize companies that have achieved exceptional results. Gold Eagle was selected as one of the Healthiest Companies in 2008 from over 2,000 companies that are clients of Interactive Health Solutions that also participated in the health risk assessment.

Gold Eagle Co. has always strived to be a healthy company and in 2005, made a full-time commitment to this effort when they established the Gold Eagle Wellness Program. Since then, the program has provided a variety of health and financial programs to promote wellness leading to a balanced lifestyle. Some of the programs include the health risk assessment, smoking cessation, flu vaccinations, 'lunch and learn' sessions, financial presentations, and most recently the walking program. The success of these programs is based on the participation and commitment that each of you have made over the years.

Gold Eagle® Co. manufactures leading brands including STA-BIL® Fuel Stabilizer, HEET® Gas-Line Antifreeze, NO-LEAK® Treatments, 104+® Octane Boost and 104+® Maximum Octane Boost, and DieselPower!® Diesel Additives. Details on the full line of Gold Eagle products can be obtained at www.goldeagle.com, calling 800-621-1251 or writing Gold Eagle Co. at 4400 S. Kildare Ave., Chicago, IL 60632.
